5. Sectioning Committee. New Armory, enter rear doors next to Administration Building. Secure approval of department representatives for all sectioned courses listed on your course card.
6. Schedule Card. Please see that a copy of your schedule card is filed in the Office of the Registrar during registration or within one week after the beginning of instruction. This is for your benefit as well as for the benefit of the University.

### REGISTRATION FOR GRADUATE STUDENTS TIME—January 7 and 8

#### PROCEDURE

1. Dean's Office, T-214, Agriculture Building.  
New Students: Complete matriculation in the Graduate School.  
All Students:
  - A. Fill out two blue course cards, listing on each all courses to be taken. Consult adviser in major department, who signs both cards.
  - B. Secure the signature of the dean on both course cards. He should retain one.
  - C. Fill out one class admission card for each course listed.
  - D. Fill out registration record form, in ink, if you did not attend the Fall Quarter.
2. Take one course card, all class cards, registration record form, and matriculation card, to Administration Building to complete registration.
3. Bill Office. Lobby, Administration Building. Receive bill.
4. Cashier. First floor, Administration Building. Pay bill. Receive receipt.
5. Inspector and Collector. Administration Building. Cards will be checked. Registration record form, course card, yellow copy of bill, and class admission cards will be collected.

#### REINSTATEMENT

All students not in attendance during the Fall Quarter must secure reinstatement certificates from the Office of Admissions.

#### CHANGE IN REGISTRATION

Changes in registration may be made by obtaining a change in registration slip from your dean's office. This slip must be approved by your dean and filed in the office of the registrar. After one week, there is a fee of one dollar for every change in registration. If, for any reason, the instructor will not allow you to take a course for which you are registered, a change of registration slip, signed by your dean, authorizing you to drop the course, must be filed in the office of the registrar.

Credit cannot be obtained for courses for which you are not officially registered in the office of the registrar. Your failure to attend a course for which you are registered will result in your receiving a mark of failure in the course.

Students who for adequate reasons desire to enter classes more than ten days late, must secure permission in writing from the instructor in charge of each class.

Courses dropped after six weeks (February 19, 1944) carry a grade of failure.

## WITHDRAWAL FROM THE UNIVERSITY

Any student compelled to leave the University at any time during the academic year, should file an application for withdrawal, bearing the proper signatures, in the office of the registrar. If this is not done, the student will not be entitled, as a matter of course, to a certificate of honorable dismissal, and will forfeit his right to any refund to which he would otherwise be entitled.

## REFUNDS

Prorated refunds for general fees and for board and lodging are allowed only in case of withdrawal from the University within certain time limits. Consult the catalog for rules governing refunds. After February 5, 1944, prorated refunds will be granted for board only. The date used in computing refunds is the date the application for withdrawal is filed in the office of the registrar. No laboratory fee refunds will be issued after January 22, 1944.

## CHANGES IN COLLEGE

To effect a change in college, secure the necessary form from the office of the registrar or your dean's office, and have it signed by the deans concerned. The transfer is not complete until the blank has been signed by the deans and filed in the office of the registrar.

## CANDIDATES FOR DEGREES

Every candidate for a degree, who expects to complete his requirements at the end of this quarter must make formal application for a degree on a special form at the inspection desk during registration, or in the Office of the Registrar at least eight weeks prior to the date the candidate expects to complete his course.

## GRADUATION REQUIREMENTS ON QUARTER BASIS

For graduation in all undergraduate colleges, except Engineering, 195 quarter credits are required. In Engineering the requirement is 221 to 240 quarter credits. A general C average is required for graduation in all colleges.

A quarter credit equals two-thirds of a semester credit. To convert semester credits to quarter credits, multiply semester credits by three halves. Thus 30 semester credits equal 45 quarter credits.

## PHYSICAL EDUCATION REQUIREMENTS

All undergraduate men students carrying more than six quarter credits are required to register every quarter for physical activities, 2 credits. The class meets three two-hour periods a week. Students not qualified to take the regular activities program will be given adaptive work suitable to their physical capacities.

All undergraduate women students carrying more than six quarter credits, are required to carry Hygiene, 2 credits per quarter, for three quarters, and physical activities, 1 credit per quarter, for 12 quarters. Women students who entered prior to the effective date of this requirement (October, 1942) are not required to take physical activities their junior and senior years.

## MILITARY INSTRUCTION

All physically fit, men undergraduate students, under 26 years of age, registered for more than six quarter credits, are required to carry military instruction, Basic 1 and 2, 3 credits per quarter, until 6 quarters have been completed.

Students who have completed the former Basic two-year course, are required to register for 3 quarters of the new Basic 2 course.

## EXAMINATION SCHEDULE

Examinations will be given in regular class rooms according to the following time schedule which is arranged on the basis of the time of the lectures in each class. Avoid conflicts when planning your schedule for the quarter.
